Author Guideline

This is a guideline for Author/Presenter in **ICONPASS 2024**. We need to inform you, that ICONPASS 2024 uses the OJS 3 system in processing articles. The OJS 3 system ensures that your articles are processed according to international standards and you can easily track the current status of your articles

Please see the information below for the detailed information for each step.

1. OJS 3 ICONPASS 2024 Registration

All presenter participant should create an account in OJS 3 ICONPASS to submit their manuscripts.

- Go to the registration page. <u>https://proceeding.unesa.ac.id/index.php/iconpass/user/register</u>
- Make sure you have completed the Registration Form.

- Follow the full paper template for the details of the manuscript style. The paper template can be downloaded in the website.
- The article format and writing are very important before you make submissions, for example, if your article exceeds the required word limits or if

sentences did not use proper grammar and scientific English, the editor may reject your article.

7. Notification of Full Paper Acceptance

- Accepted manuscripts will be informed through OJS 3 system and registered email in the OJS 3 system.
- Accepted manuscripts will receive an acceptance letter together with an invoice for publication fee.

8. Revision Paper

Please revised your paper based on the reviewer comments and send your revised paper through OJS 3 system. The quality of your revised article is very important before you make revision, for example, if your article if the revision of the article does not match the suggestions of the reviewers, the editor may reject your article.
